

DOES
EXACTLY
WHAT IT
SAYS ON
THE TIN*

Ronseal Promise, if you do exactly what it says on the tin,
this product will do exactly what it says on the tin.

Ronseal Quick Drying Appliance Spray Paint is a tough & durable finish which transforms and co-ordinates old & tired household appliances without the cost of replacement.

- No primer required
- Quick Dry – 15 minutes
- Resists knocks, scratches & chipping
- Super smooth finish

USAGE AREAS • Suitable for Fridges, Freezers, Dishwashers, Washing Machines & Microwave Ovens. • Not suitable for use on hobs, cookers, or the inside of Microwave Ovens.

PREPARATION • It is essential that the surface is clean, dry and free from dust, dirt, or grease.

- All surfaces should be cool prior to application.
- Lay paper and mask areas to avoid over spray eg handles & trimming not to be painted.
- Ensure any masking tape is removed before the paint dries to avoid damaging the paint film.

APPLICATION • Spray at room temperature (21°C). • Shake well, until ball rattles and afterwards for 2 minutes. • Test and practice on a small area first. Test plastic trims and handles for adhesion on a small area first. • When spraying periodically stop and shake the can. • Spray 20-30cm from the surface. • Spray in a sweeping motion moving on and off the spraying area. • Apply several thin coats at 15 minute intervals.

DRY TIME • Touch dry and recoatable in 15 minutes. • Low temperature, high humidity or poor ventilation may extend drying and recoat times.
